

Dana Rosamund Teagle

Designer & Web/Software Developer

Toronto, Ontario

Summary

- Designer & developer with 4+ years of experience transforming client requirements and specifications into accessible and intuitive websites, applications, and front-end interfaces
- Detail-oriented programmer who focuses on writing clean and maintainable code while efficiently troubleshooting and debugging issues
- Proven track record of leading teams and fostering effective collaboration, honed over 6+ years of experience managing restaurants and cafés

Work Experience

Web/Software Developer

Parallel 42 Systems (May 2023–present)

Contract (Part-time)

- Collaborating with project managers, back-end developers, designers, and Q.A. teams to design and/or build web applications for clients (including Fortune 500 companies)
- Consulting on front-end methods and tools to streamline our development processes and ease onboarding for future web application projects

Designer & Web/Software Developer

Self-employed (Apr 2020–present)

Freelance

- Designing and building websites and applications for businesses, freelance professionals, and non-profit organizations
- Managing social media content, resulting in boosts of up to 60% in online visibility and web traffic
- Helping clients to maintain a consistent and recognizable brand across multiple platforms, including e-commerce sites, booking systems, and email marketing campaigns
